Deeming rates and base rate (BIR) changes

The schedules for residential and home care fees and charges have been updated effective from **1 July 2019**, to incorporate changes to the deeming rates as announced by the Minister for Families and Social Services on 13 July 2019.

As a result the base interest rate, which is calculated using the lower deeming rate, has also changed.

Schedule of fees and charges

View the updated [Schedule of Fees and Charges](#) for:

- Residential and home care recipients who started care on or after 1 July 2014
- Residential and home care recipients who started care before 1 July 2014
